ORGANIZATION OF CHRISTIAN ENDEAVOR

Sunday evening a large and enthusiastic group of young people met in the Auburn Park Federated church and organized a Christian Endeavor organization. Much interest was manifested and it promises to be a live organization. The following officers were elected: President, Tom Miller; vice president, Clifford Zuehlke; secretary, Miss Gertrude Escher; treasurer, Shelton Norton.

A Junior Christian Endeavor was recently organized and is now doing good work. Miss Johnson, Junior Superintendent Chicago Christian Endeavor Union, was out Sunday evening and had charge of the program.

Announcement is made of the marriage of Marion A. Hegar of Long Beach, Cal., to Harry A. Beckham, son of Mr. and Mrs. William T. Beckham of 7551 Emerald Ave., on Saturday, April 16th.

It would be to your advantage to visit Gus Bovik's place before ordering your spring suit. 7617 Green St., rear, ground floor. Formerly 7822 Halsted St.

Nine year old Kathleen McDonald performed at the opening of the New Arcadia Theatre, Minock, Ill., Saturday, April 16th, with a remarkably talented exhibition of character dances.

Gray hair restored to natural color. Mrs. Gitzen, 6329 Ashland Ave. Prospect 1436.

DAUGHTERS OF ISABELLA

Final arrangements have been made for the big dance, card and bunco party to be given by St. Sabina Circle No. 111, D. of I., at the Englewood K. of C. club house, 63rd St. and Harvard Ave., on Saturday, April 30th.

Come and toddle to "Husk" O'Hare's super orchestra. For the convenience of those who do not dance, euchre, cinch, five hundred and bunco will be played in the parlors. Come early and have your choice of tables.

WHERE EVERYONE HAS A GOOD TIME

At the dance to be given by the always popular Rambler Rose Social Club on Friday, May 13th, at Auburn Masonic Hall at 78th and Union Ave.

The general inquiry: When are the Ramblers going to give a dance? Haven't you heard? Why, on Friday. May 13th, at Auburn Masonic Hall, 78th and Union Ave. The music as usual will be wonderful.

Wednesday afternoon at the home of Mrs. Maurice Natelborg was the scene of a bunco party given under the auspices of the Gresham Woman's Club, Mrs. Whalen and Mrs. Holt winning the first prizes, a very pretty apron and a box of stationery; the second prizes were won by Mrs. Turner and Mrs. Godly; the last but not least prizes were won by Mrs. Rausch and Mrs. Peterson. The Oakhaven Home was enriched by $19; the money was derived by raffling off several articles donated by Mr. Wimp and Mrs. Natelborg. The committee consisting of Mrs. Peterson, Mrs. Johnson, Mrs. Holt and Mrs. Schinkle was responsible for the successful and enjoyable party.

HONEST LANDLORD DISCOVERED

Old Dan Diogenes didn't have to go out of South Chicago when he started in search of the ideal landlord. He found him in the person of A. W. Morell, who lives at 9032 Exchange Ave. and who owns property at 8807 Buffalo Ave.

Not only would old Dan learn that Morell was an honest man, but he also would learn that he never had oppressed his tenants and the one that bore witness to this was John Holmer, familiarly known as "Captain" Holmer.

It all came out when Captain Holmer decided to move to Mountain, Wis., to take up his residence with his daughter. He moved into the flat on Buffalo Ave. thirty years ago—October, 1891—and the last month's rent he paid Mr. Morell was the same amount as the first month.

After finding Morell, Dan Diogenes' light went out.

7th PRESBYTERIAN TO BUILD NEW CHURCH

The Seventh Presbyterian church, 86th Place and Sangamon St., of which the Rev. Thomas Fulton Campbell is the minister, is planning to erect a new church building as soon as building conditions will permit. The church has just closed a very remarkable year, by far the most successful in its history. The large increase in membership and attendance, together with the splendid financial condition, and the fine vacant corner adjoining the present church building belonging to the congregation, makes the need of a new building very apparent, so the minister suggested at the annual congregational meeting that a new church be built. This met with hearty approval, and the congregation responded immediately by electing a building committee to co-operate with the trustees, and two thousand dollars was reported in a few minutes. The trustees at their first meeting of the new year voted to start a sinking fund to be increased by a certain amount monthly to be used for this purpose. The co-operation not only of the church but of the community is earnestly desired in the new building enterprise.

The minister reported receiving 76 new members into the church during the year, baptizing thirty-six persons, making 655 pastoral calls. The treasurer's report showed all bills paid and a large balance on hand. The Ladies 'Auxiliary made nearly $900 during the year. Excellent reports were received from the Sunday school and other organizations. A large chorus choir with an inspiring director, and the junior choir with an able leader, together with new hymn books recently purchased, are some of the new features of the work of this church, where a hearty welcome awaits you at all times.

PAGEANT TO EMPLOY WORKLESS

One of the chief reasons for the big Pageant of Progress to be held in Chicago in the near future will be to stimulate business and thus relieve the unemployment situation in Chicago, it was revealed by Mayor Thompson.

He disclosed that the number of men without jobs in Chicago was growing rapidly, and that he had received several calls urging the establishment of a municipal lodging house and a bread line.

Speaking the other night before the Associated Fur Industries, Mayor Thompson estimated there are 4,000,000 unemployed men in the United States.

Tau Delta Phi sorority held a business meeting at the home of Edna Mae Dulso, 7837 Aberdeen St., on Friday, April 15th, 1921.

OFFERS TO BUILD HOME IN SINGLE DAY TO GIVE RELIEF

Organization to Build Homes for City Lot Owners

A few weeks ago, the City Lumbermen's Association selected a lot at 6437 Claremont Ave. on which to build a house.

In announcing the construction of this home, a five room cottage, the association declared it would complete the structure within a regular eight-hour day.

The work was accomplished and today the lumbermen's association offers to build a house of like construction and with the same rapidity for any tenant on the south and southwest side who wishes to be extricated from the fangs of the relentless rent hog and also to provide necessary homes for those families in the district who are without homes.

The only qualification necessary for the building of this home is a lot, according to the association's announcement.

The cost will approximate, aside from the lot's cost, $3,738.08, and will include all up-to-date improvements.

The figures also include the home complete with concrete foundation, concrete basement floor, electrical and bath fixtures and a small hot water heating system.

If a brick house is preferable you may also obtain this material at a 25 per cent reduction, the Illinois Brick Company announced.

The reduction applies only to common brick, the company announced.

The announcement of the two organizations is to serve as an impetus for more building.

Building construction has taken on an added spurt, according to the number of building permits issued.

Last Thursday, thirty-two permits were issued in eight hours. The average number issued daily in March was twenty-three. Four permits yesterday were for apartment buildings, eighteen for houses and bungalows, and six for factories.

HEALTH IS WEALTH

Health first—low taxes afterward.

The hope of the nation lies in its healthy citizens.

Your body is a delicate machine. Take care of it.

You need fresh air—day and night.

Disease prevention is even more important than fire prevention.—Illinois Health News.

P.-T. ASSOCIATION OGLESBY SCHOOL

Following is the program for the Parent-Teacher Association of Oglesby school for Wednesday, April 20, at 2:30 p. m.

Sololist—Mrs. Homer Kinzie.
Accompanist—Mrs. Herman Sharp.
Reader—Master Theo. Herr.

Mr. Henry D. Hatch, principal of Thorpe school, will give an illustrated talk, using the theme: "Scotch Lessons Contributing to a Better Process of Americanization Through Our Public Schools." Those who heard Mr. Hatch speak last month will want to attend and invite their friends.

"IT DON'T" JUST DOESN'T GO, SAYS SCHOOL CHIEF

"It don't" and "I seen," with sixty-eight other forms of incorrect speech, were tossed into the discard by Supt. Mortenson in a special bulletin to principals and teachers of Chicago public schools.

The statement that some of these forms should be countenanced by teachers, because of their common use, was made recently by Edward Tobin, superintendent of Cook county rural schools. The remark caused considerable comment by educators all over the United States.

"To surrender merely because the errors are persistently made, is to develop not only a slovenly habit of speech, but to encourage also a lazy mental attitude," Mr. Mortenson's message to his teachers reads.

DANCING TEACHER DONATES SERVICES

Prof. Thomas Sheehy, eminent dancing instructor, donated his services and the services of his pupils at an entertainment of Robert Emmet Branch at St. Ann's Auditorium, on Wednesday, April 13th. The following participated: Lillian Moore, 9 years old, danced "Rose Leaves;" Dolores Eline, 13 years old, danced "Jewels of the Madonna;" Helen Glenn, 11 years old, gave an exhibition of the "sword dance." These above pupils performed "Egyptia" and "The Jocky Boys." Little Kathleen McDonald was quite a favorite with her dance, "The Glow Worm."

Robert Emmet Branch takes this means of heartily thanking Prof. Sheehy and his pupils for the wholehearted effort they extended in making the affair so successful.

Auburn Council, D. of I., will run a dance at Englewood K. of C. clubhouse May 4.

MILITARY NIGHT AT CALUMET HIGH SCHOOL

Thursday, April 21st, will be military night for the Calumet High School R. O. T. C. unit.

The Calumet band, under the direction of Captain Henderson, will give a number of selections and Captain Henderson will speak of the work of the band.

Captain F. L. Beals, the director of physical education in the Chicago public schools, will give an illustrated talk on "Camp Roosevelt, an Opportunity for Boys." A squad of the cadet corps will give an exhibition drill.

The parents and friends of the boys in both the band and military company are cordially invited to attend.

St. Sabina Circle, Daughters of Isabella, will give a dance and card party, Saturday evening, April 30th, at Englewood K. C. Club, 6323 Harvard Ave. The music will be rendered by the celebrated "Husk" O'Hare orchestra. Bunco. euchre, five hundred and cinch will be played in the parlors downstairs. There will be over 100 prizes and every arrangement possible has been made to make this affair a grand success. Miss Elsie Washick, Mrs. Catherine Durkin and Mrs. Mary McDevett are in charge and through the wonderful co-operation of the circle this affair promises to be a great success.

Under the auspices of the Gresham Woman's Club a bunco-dancing party was given by Mrs. Ward Hanagin, 8318 Morgan St., for Oakhaven. It was a delightful affair. Mrs. George Haskell and Mrs. Guy Blanchard gave short talks on the subject of Oakhaven. also complimenting the club on its activities in this great work. Many beautiful prizes were given. Dainty refreshments were served and the many guests present declared the occasion out of the ordinary and Mrs. Hanagin a hostess of great charm. The next party of the series will be April 23rd at the home of Mrs. L. Bailey.

The alumni of St. Rita's college extend an invitation to all to attend their annual spring dance, which will be held in the Auburn Park Masonic hall, 7832 Union Ave., Friday evening, April 22nd. St. Rita's alumni has a membership of over 500, all of whom are putting forth their best efforts to make this affair the biggest social success they ever had. From all indications the largest crowd that ever entered the Auburn Masonic hall will be on hand on that evening to participate in the feature dance of the season. Benson's orchestra, under the leadership of Mr. Schultz, the same orchestra which made such a big hit at St. Leo's annual ball last February, will furnish the music.

AUBURN PARK FEDERATED CHURCH

The entertainment Friday night by the boys of class 9 of our Sunday school, under the direction of their class leader, R. J. Brown, went "over the top" with marked success.

The feature of the evening was a one-act burlesque breach of promise trial, "The Case Against Casey," in which Wiliam Berkshire as Miss Dotty Perkins brought suit against Frank Fisher as Dennis Casey, before Lewis Huber, the judge. William McKenna was clerk of the court. The witnesses were Roscoe Crane as Reuben Lauder, William Milchrist as John Gunn, and Roy Hotchkiss as Claw Hammer. The lawyers were Thomas Milchrist as Attorney Skin, and Gerald Fisher as Attorney Takethecoin. The jury was composed of Michael Muleahy, an Irishman, Harry Stevens; Fritz Bumblesburgerhorfendorfenstein, a Dutchman, George Rodgers; Furious Fireworksky, a bolshevik, Edward Stevens; Hiram Heareasy, an old man, Raymond Fern; Jonathan Judkins, a rube, Edward Milchrist; Jimmie Spikes, a tough kid, Aaron Hutchinson; Welldone Macaroni, an Italian, Howard Horton; Ole Olson, a Swede, Arnold Thurlin; and Izy Marks, a Jew, Edward Stevens. The parts were well taken, and much dramatic ability was displayed by the boys, who justly earned the commendation heard on all sides.

Mr. D. Harry Hammer gave some very fine selections on his Carillon of Bells which were appreciated. The entertainment was concluded with the showing of moving pictures. Mrs. Nina Gillespie officiated at the piano.

Chiropractic for the Middle Aged

The Drugless Health Science of Chiropractic is indeed a boon to those who have passed the meridian of life's journey, but who with proper care of their human machine, still have many years of usefulness ahead of them.

CHIROPRACTIC teaches you to keep your wonderful human machine in condition ALL THE TIME. CHIROPRACTIC prevents your human machine from getting out of order. The spinal column is the foundation of this machine. The Chiropractor is your human machinist. He keeps the vertebrae (small bones of the spine) in perfect alignment so that they will NOT press upon the nerves and cause an interruption of the vital force in its journey from the brain to the various organs. Should there be such an interruption the CHIROPRACTOR by the use of the bare hands alone, locates the subluxation (displacement) and adjusts the vertebrae to their normal position. The result is the free and uninterrupted flow of the vital force, insuring you HEALTH. The man or woman in middle age thus finds Chiropractic indispensible.

For acute cases,
For chronic cases,
For prevention of Dis-ease,
CONSULT YOUR CHIROPRACTOR.

He will NOT attempt to stifle the effect, but WILL LOCATE and ADJUST the CAUSE.

Be sure your spine is in normal condition, and is KEPT in normal condition, and you are bound to enjoy health.

"WATCH OUT"

Watch out, little children,
When out at play,
Be careful, don't go
From home far away.
There are wagons and trolleys
And creatures, we fear,
Who ride faster and faster
Than our friend, Paul Revere.

Your dolly would cry
Though its tears you can't see,
And wonder where
You ever could be.
That little tin soldier
Feel lonesome and blue,
Because day and night
He is waiting for you.

So watch out, little children,
Don't play on the street.
Mother has told you
Of dangers you meet.
For good little children
We'll need some day when
They've grown up to be
Fine women and men.

—Alma B. Wilson.

THE NOSEGAY

'Tis strange how things will turn up, tho' hidden away for years,
That brings to memory's page a thought of time which life endears.
And tho' it oft may bring a sigh, there's too a thrill of joy,
For it brings a fellow back to days when he was but a boy.
I found within my trunk a box I brought from Sweet Mayo
When I left home and those I loved near thirty years ago.
Within it was what once had been a blooming, fresh nosegay,
I plucked outside Sweet Castlebar, in Ireland far away.

Sure now I see as then I saw the pansies' lovely dyes,
The shades I used to see within an Irish colleen's eyes,
And faith the faded ivy is once more a vivid green,
The rosebud blooms just like her cheeks, the fairest e'er I've seen.
You wonder why I'm sobbing now? Why, to wet them with my tears;
For sure the poor things must be dry after all those weary years
Since I took them from her tresses fair one glorious even in May,
Ere I left Sweet County Mayo in old Ireland far away.

Oh there's many a slip twixt cup and lip in this world of care and strife,
And to youth, afar-off hills look greener than they would in later life.
Sure fortune is a fickle jade and fate's a strange one, too;
Faith, they're the ones, Acushla, that have kept me far from you.
You ask me who I'm speaking to, why, the colleen in my mind;
Don't you see this fresh plucked nosegay and her standing there behind?
Just as I used to see her when at eve as lad I'd stray
Through the fields outside Sweet Castlebar in Ireland far away.

JOHN P. RAFTERY.
653 W. 69th St.

EARLIER MAIL DELIVERIES NOW BEING MADE

Earlier deliveries of mail were begun last Monday, by the Chicago postoffice, following the adoption of the daylight saving plan.

Last year the fact that trains entering the city were operated on standard time made it appear that there was an hour's delay in delivering the mails. This year it is planned to cut this apparent delay in half.

To do so a new schedule of carrier deliveries has been arranged tentatively. Carrier deliveries at the main postoffice will be made at 7:50, 9:40, and 11:45 a. m., and 1:30 and 3:10 p. m. Two or three carriers will be assigned to each district on the first trips of the day, when important mails are arriving, including the Twentieth Century and Broadway Limited trains. This should insure earlier deliveries.

Mail for points outside of Chicago will be dispatched on standard time. The only exception to the rule will be in the suburban mail service. Suburban trains will run on the daylight saving basis and the mails will be handled according to that time.

"WELCOME HOME"

(Alma B. Wilson)

Broken chain of baby-hands,
Delicate its golden link;
Still with firmer threads a-weaving
A stronger cord across the brink.
Baby hands, fair as lilies,
Refine the heart to purest gold
Baby fingers, lily petals,
Keeping souls within the fold
Smiles have faded, laughter silenced,
For a silvery voice is hushed;
E'en the brightest cloud is darkened,
And the fairest hope is crushed.

THE MAN WHO SAVES

He erects a bulwark against sickness or adversity.

He builds a bridge to the better job.

He takes in hand a tool to grasp opportunity.

He sets up a ladder to climb in the world.

He gains control over money and things.

He trains himself for growing responsibility.—The Gentlewoman.

PHONY SOUNDS BRING NEW EXCHANGE NAMES

It is easier to understand "Juniper" than "Monticello" over the telephone. For that reason the exchange bearing the latter name has been changed to "Juniper." This by decree of experts on sound analysis after rigid tests. Blackstone is to be changed to Dorchester, Burnside to Sycamore, Garfield to Nevada and McKinley to Lafayette.

CARE OF TEETH

By Dr. H. N. Novy

All questions relative to the care of teeth, mouth hygiene, etc., if of general interest, will be answered in this column. When space will not permit, letters will be personally answered.

Fletcherism

This extreme method of masticating or chewing one's food was first advocated by Horace Fletcher in 1907. Hence the name of Fletcherism.

The history of Horace Fletcher is extremely interesting and profitable. At the age of 45 he was a confirmed invalid, suffering from various incurable chronic ailments. He was over weight, short of breath and considered an undesirable risk by life insurance companies. One summer while in Chicago, by accident he began to chew his food to determine how many fine flavors he could extract from it. After a couple of weeks of this extra chewing, he noticed that he had more endurance and freer breath.

After six months of effort he got down to business on real Fletcherism and within five years he had not only cured himself but declared that he had more endurance than any man living.

His statements attracted the attention of food specialists all over this country and Europe and he was invited to Yale university to compete with their finest athletic team, which was composed of young men, the pick of their kind, who had been eating at a training table food which was supposed to produce the greatest en-3—Booster kel

durance; who had been gradually brought up in exercises to produce the greatest resistance and endurance.

Fletcher was challenged to go through for eight consecutive days every exercise which these men went through. He was allowed to eat what he wanted, also such quantities as he desired, and Horace Fletcher did then something that has never been done before or since.

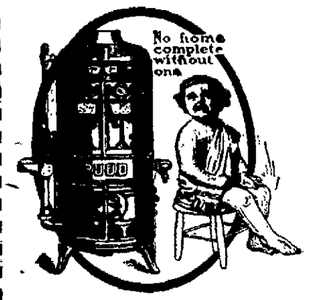
He went through for eight days every exercise through which these trained athletes went, doubling many of their endurance tests, and had no reaction in sore muscles, lost not a pound of weight, was not even tired, and this on one-half the food that had formerly been thought necessary to maintain life without a stroke of work.

Scientists of the day said Fletcher was a freak. They were afraid to try the method on their students, but one professor who had been suffering from rheumatism, unable to get relief, tried it out, at first gingerly, and soon noticed improvement.

From that day to this only a few thousand Americans have tried real Fletcherism, but every one who has tried Fletcher's method has improved to the degree to which they have employed the principle. At Battle Creek Sanatorium they wrote a chewing song and chewed their way to health. Professor Kellogg said he was ashamed that he had never thought of it before.

You need never have indigestion any more if you are willing to Fletcherize.—Analytical Outline of Applied Psychology as given by Harriet L. McCollum.

Install a 'Ruud Water Heater'



With a Ruud Automtic Gas Water Heater your hot water problems are solved.

Hot water is always on tap; even temperature, day or night, from a cup full to a bath tub full.

Economy, with your hot water faucet being used only when hot water is necessarily needed. And your gas bills will be reasonable. Cheapest hot water service on the market. Will heat 100 gallons at a cost of 20c.

Our installation and personal supervision warrants satisfaction.
